Title: Curatorial Lesson on the Topic "Extremism and Terrorism"

Date: 25.12.2025

Group/Class: GM5-1a-2025 and GM5-1b-2025

Curator: Osmonbekova G. M.

Agenda:

Conducting a curatorial lesson on the topic "Extremism and Terrorism".

Content of the Lesson:

A curatorial lesson was conducted on the topic "Extremism and Terrorism". During the lesson, the concepts of extremism and terrorism were explained, their causes and dangers were discussed, and attention was paid to prevention measures and the role of students in counteracting extremist ideology. The importance of tolerance, critical thinking, and lawful behavior was emphasized.

Outcome:

Students actively participated in the discussion, demonstrated understanding of the topic, and acknowledged the importance of preventing extremism and terrorism in society.

Conclusion:

The lesson objectives were achieved. The topic was fully covered, and preventive awareness among students was strengthened.
